(c) Buyer shall pay all loan application and origination fees, discount points, mortgage insurance, VA funding fee and other loan expenses except as may be provided for elsewhere in this Contract.

(d) In the event Buyer intends to pay the balance due in cash, Buyer shall make a Proof of Funds satisfactory to Seller within **twenty-one days** of the Reference Date. In the event said Proof of Funds is unsatisfactory to Seller, Seller shall have the right to cancel this Contract and, in that instance, return all deposits to Buyer. Buyer shall provide Proof of Cash to Seller in the event 5% (five percent) or more of the purchase price is to be paid in cash.

(e) Buyer and Seller shall share equally in the closing agent's fee, if any.

(f) All payments shall be paid in cash, electronic funds transfer, certified check, cashier's check or savings and loan teller's check (which are known as Good Funds) unless otherwise agreed to by Seller.

(g) This Contract shall not be subject to an appraisal, except as provided for in Section 5(b).

5. LOAN APPLICATION DEADLINES

(a) Buyer has provided to Seller upon execution of this contract a prequalification letter from a lender satisfactory to Seller.

(b) If at any time during the Buyer's loan review process, Buyer learns of credit issues that may delay or prevent Buyer's ultimate qualification for a loan to complete the closing of the house, Buyer shall immediately notify Seller in writing. If, upon learning of Buyer's issues with its ability to obtain a loan, Seller feels insecure with Buyer's ability to complete this transaction, Seller may give Buyer five (5) days written notice thereof and unless Buyer can provide further assurances of its ability to perform, Seller may thereafter terminate this contract and shall be entitled to retain all Buyer's deposits and option payment.

(c) Within approximately forty (40) days of completion of the house, Seller shall notify Buyer of an anticipated closing date, and Buyer shall thereafter arrange to have a firm commitment letter issued by Buyer's lender to Seller within ten (10) days. If Buyer is unable to obtain said commitment letter within said time frame, Seller shall have the right to terminate this contract at any time thereafter and shall be entitled to retain all Buyer's deposits and option payment.

(d) Seller makes no representation as to the loan fees or the interest rate that may be obtainable by Buyer, and Buyer agrees to enter into a mortgage loan agreement at market rates. Seller does not make promise or guarantee regarding interest rate "locks". Such "lock" agreements shall be between Buyer and Buyer's lender at Buyer's sole risk. Seller shall have no liability in the event that an interest rate "lock" agreement made between Buyer and Buyer's lender should expire prior to Closing.

(e) The presentation of a prequalification letter by the Buyer to Seller shall constitute an agreement by the Buyer that Buyer agrees to perform all of the terms, conditions and agreements contained therein. If Buyer's prequalification letter is subject to any contingency whatsoever, except as allowed pursuant to Sections 6(b), and if it reasonably appears that Buyer will not be able to satisfy such contingency on or before Closing, Seller may, at its discretion and at any time, elect to cancel this Contract and refund Buyer's Deposits and Option Payment, without interest. Buyer hereby authorizes Buyer's prospective lender to transmit to Seller any and all information regarding the status of Buyer's loan application and approval.

7. PAYMENT

(a) Buyer absolutely guarantees timely payment and Closing as provided by the Contract as it may be amended. Buyer hereby waives notice of acceptance, notice of nonpayment, protest and notice of protest. In the event Buyer fails to close within 5 days of Completion, this Contract may be cancellable at the sole option of Seller and all obligations of each party to the other shall be ended except that Seller shall be entitled to retain Buyer's deposits and Option Payment and Seller may require that Buyer shall additionally pay to Seller, at Seller's sole determination, the contract price of all upgrades and Options completed or committed to by Seller for which Buyer did not make a payment as set forth on the Options Worksheet. BUYER ACKNOWLEDGES THAT SELLER INTENDS TO RELY UPON BUYER'S COMMITMENT TO CLOSE PURCHASE OF THE DWELLING UNIT AS SET FORTH HEREIN, and that Seller intends to borrow money, enter contracts, spend money and undertake other obligations based upon said commitment. In the event that Seller cancels this Contract pursuant to this paragraph, Buyer acknowledges that Seller will have been damaged in an uncertain amount and that the forfeiture of Buyer's Deposit(s) and Option Payment to Seller shall act as liquidated damages and upon the receipt of same, Seller waives any additional claim against Buyer due to Buyer's failure to close.

(b) If Buyer's check is returned for non-sufficient funds, Buyer shall replace same with a cashier's check within twenty-four hours of notice by Seller or this Contract shall be void and all obligations of each party to the other shall end.

If Buyer requests copies of instruments listed in the schedule of exceptions, Seller shall provide same to Buyer. That request shall be made within three business days of Buyer's receipt of the title commitment. Seller shall only be obligated to provide copies of instruments which are of record in the office of the clerk and recorder of the county in which the Dwelling Unit is located. If Buyer shall disapprove of the title or any condition thereof on legitimate grounds of merchantability, Buyer, as its sole remedy, shall have the right to terminate this Contract by notifying Seller in writing within five business days of the later of (1) receipt of the title insurance

commitment or (2) receipt of copies (or abstracts) of the exceptions, if so requested, and Buyer shall be entitled to a return of its deposits and option payment. Otherwise Buyer shall be deemed to have accepted the condition of title and shall have no cause of action.

10. CONSTRUCTION

(a) Construction is to be in conformance with the appearance, style and workmanship of the model home(s) located at the Project. **Certain fixtures and finishes in the model homes may be upgrades or Options.**

The roof style, front elevation and orientation of the floor plan are as shown on the attached exhibits. Seller reserves the right to make minor variations in construction measurements, materials and techniques which do not substantially affect the square footage of a room or the Dwelling Unit, nor affect the quality or style of construction or finish. Examples are Seller's intended use of a variety of siding styles, exterior paint and roofing colors for variety; and location of electrical outlets, doors and windows which are generally approximately located on the drawings. Dimensions and areas depicted on advertising materials are approximate. Some exterior colors might not be available on certain Dwelling Units or lots.

Finished floor elevation shall be established by Seller to effect adequate drainage, which may result in access configurations different from those used at the models.

(b) Seller shall have the right to substitute materials, equipment and fixtures of equal or better quality than specified or shown in the model(s).

(c) The following exhibits pertain to the construction of the Dwelling Unit:

- Exhibit A - The Option/Upgrade Sheet

11. START DATE AND COMPLETION DATE

(a) Seller will determine a "Start Date" upon Buyer's satisfaction of his/her financing obligations. Construction duration and the Completion Date are subject to the project workload and the time of year and are **OFTEN** affected by events beyond the control, or even within the control, of Seller.

(b) Buyer acknowledges that the cost of construction materials and services may increase between the date of execution of the Purchase Contract and the date begins. If the cost of materials and/or services increases, Buyer agrees that Seller may upwardly adjust the Base Price stated in the Purchase Contract to reflect those increases from the date of the Purchase Contract to the date

construction begins (if there are any such increases). Construction on the residence shall be deemed to have begun when the lumber package has been ordered.

If Seller experiences any such increases, Seller shall, at least five (5) days prior to the time construction of the residence begins, send Buyer a notice by certified mail, return receipt requested, specifying the amount of any increases in the Base Price. Buyer shall have five (5) days from the date of receipt of the notice to reject the increased price. If Buyer fails to reject the new price within the time period provided, the Purchase Contract, and all of the terms and conditions contained therein, together with the new price, shall remain in full force and effect. If Buyer timely rejects the price increase in a signed writing, both Buyer and Seller shall be completely released from any and all obligations arising under the Purchase Contract, and the Purchase Contract shall have no further force and effect, provided, however, that Buyer shall be entitled to a return of its earnest money.

(c) Seller shall use reasonable efforts to complete the Dwelling Unit within 120 to 180 days of the Building Permit, but shall not be liable to Buyer for damages if it is unable to achieve any given date.

(d) Extra time will be required for each day of delay caused by Buyer, strike, war, civil unrest, act of God, weather or other cause beyond the control of Seller.

(e) If the Dwelling Unit is not completed within _____ calendar days, plus any extensions pursuant to Section 11(d), of the Reference Date, Buyer may terminate this Contract by so notifying Seller in writing, and Seller shall promptly return all deposits without deduction or interest.

(f) Seller shall not be required to give Buyer notice of each delay, nor shall a written Contract amendment be required to validate any extension earned pursuant to Section 11(d).

12. OPTIONS

(a) Buyer agrees to purchase and Seller agrees to sell those Options selected by Buyer as indicated by Buyer's initials on the Options Worksheet (which is attached to the Contract as Addendum A), all for the Options price indicated in Section 2 of this Contract. In the event of a conflict with the Options Worksheet, the total of the individual options prices in the Options Worksheet will prevail.

(b) Options shall be selected and one-half of the estimated costs for said options shall be paid prior to their construction or installation, but in any event, no later than thirty (30) days after final acceptance of this contract. These amounts are stated as the Non-Refundable Payment in Section 3 and, except as otherwise stated in this contract, **ARE NOT REFUNDABLE**. Options not paid for within the time periods set forth herein shall be deemed rescinded.

(c) Structural options must be selected at time of execution of the Contract.

(d) Seller reserves the right to change options pricing without notice. Seller is not obligated to maintain any offered price; options selected after the Reference Date may be more expensive than stated in the Options Worksheet attached to the Contract.

13. SELECTIONS. During the framing stage of the house Buyer shall meet with a representative of Seller and select the following items: (a) paint colors for both interior and exterior of the dwelling; (b) cabinet wood species and color; (c) flooring materials; (d) countertops and hard surfaces, as per the Standards and Specifications attached hereto. Once selections are made and approved by both parties all selections shall become final. Selections to be done within ten (10) days of notification of the selection meeting.

14. CHANGES

(a) There shall be no changes made to the work without a written amendment to the Contract signed by both Buyer and Seller, which amendment shall clearly describe the change(s) and state the cost thereof and any extension of the construction time.

(b) All Contract changes may only be authorized by an officer of Seller.

(c) Seller shall not be obligated to approve, accept or undertake any proposed or requested addition, modification or change except those which it has offered pursuant to the Option Worksheet and may refuse to undertake any option.

(d) Seller may require payment for any change to be made in advance. Any payment may be non-refundable at the sole discretion of Seller. Buyer shall pay for all costs of Buyer initiated changes whether Buyer closes the purchase or not.

(e) BUYER CANNOT MAKE CHANGES DIRECTLY WITH ANY ON-SITE PERSONNEL.

15. SITE VISITS AND SAFETY

(a) Buyer may schedule site visits during construction. Visits must be coordinated with the sales staff who will arrange the visit with the site superintendent.

(b) BUYER SHALL CHECK IN AT CONSTRUCTION OFFICE PRIOR TO ENTERING THE CONSTRUCTION AREA. NO EXCEPTIONS ARE ALLOWED. AT NO TIME SHALL BUYER COMMUNICATE DIRECTLY WITH WORKERS OR SUBCONTRACTORS.

(c) **NO VISITORS WILL BE ALLOWED IN WORK AREAS DURING OR AFTER WORK HOURS WITHOUT BEING ESCORTED BY THE PROJECT SUPERINTENDENT OR HIS REPRESENTATIVE. BUYER'S REALTOR IS NOT AN AUTHORIZED ESCORT.** The superintendent's ability to accommodate requests is secondary to his obligation to manage the work and visits must be scheduled in advance.

(d) Buyer acknowledges that his/her entry onto the site is a violation of the conditions of this Section 15 and is a serious breach of safety protocols creating potential danger to Buyer, Buyer's guests and/or representatives and Seller's workers, as well as potential liability exposure for Seller. Buyer hereby indemnifies, holds harmless and agrees to defend Seller against any lawsuit or claim resulting from his/her breach of this Section 15.

(e) Should any Buyer, guest or representative of Buyer enter onto the site without an approved escort or during non-working hours, Buyer will be deemed to have committed a breach of this Contract.

16. COMPLETION AND FINAL WALK-THROUGH INSPECTION

(a) Seller shall promptly correct all deficiencies, defects or errors. "Promptly", as used here, allows for a reasonable period to notify and schedule the appropriate trades people, obtain parts, etc. Punch list items may be corrected after Closing and failure to complete the Punch list prior to Closing shall not be cause to delay or postpone Closing; nor shall payment of any monies be withheld.

(b) In the event Buyer is purchasing a model home, or any other home which has been completed prior to the date of this Contract, the following conditions shall apply:

(i) The "Selections" provisions of this Contract shall not apply;

(ii) Buyer acknowledges that the dimensions, materials and construction of the Dwelling Unit "as built" shall control, even if in part or in the whole they should differ from the construction specifications, advertising materials or otherwise;

(iii) Buyer acknowledges that he/she has carefully inspected the Dwelling Unit as it exists and accepts the quality and execution of the materials and workmanship, and the wear and tear of the Dwelling Unit, as is.

17. CLOSING

(a) Upon Completion of the Dwelling Unit as evidenced by issuance of a Certificate of Occupancy from the City Building Official ("Completion Date"), Buyer shall make payment of all monies due and owing and sign all documents necessary for the purchase of the Dwelling Unit and Seller shall provide to the Buyer a Special Warranty Deed, policy of title insurance and keys. Failure of either party to perform as required herein shall be a default by that party.

(b) Closing shall occur within five days of the Completion Date, or as otherwise agreed in writing between the Parties. Seller makes no guarantee of the Completion Date and Buyer specifically acknowledges that the Completion Date is difficult to determine with any specificity due to circumstances beyond the control of Seller which can delay execution of the work, and waives any claim for damages based upon the achievement or non-achievement of any specific date, except as may otherwise be provided for in a written amendment to this Contract signed by all Parties.

(c) The closing agent shall be designated by Seller ("Escrow").

(d) Title shall be conveyed in fee simple free and clear of all taxes, liens and encumbrances except the general taxes for the year of closing and except for utility easements, those matters reflected by the title documents accepted by Buyer in accordance with Section 8, those rights, if any, of third parties in the Property not shown by the public records, inclusion of the Property in any special taxing district, building and zoning regulations, the Deed and the benefits and burdens conferred by the HOA Documents.

(e) I/We further acknowledge that if I/we fail to close this transaction as provided for by this Contract (a), Seller will be damaged in an indeterminate amount and agree that my/our earnest money deposit and option payment shall be forfeited as liquidated damages.

18. POSSESSION

(a) Buyer shall be entitled to possession at Closing.

(b) Buyer shall not be allowed possession of the Dwelling Unit prior to Closing and payment of the entire Purchase Price. Possession shall include habitation, storage of furniture, or use of any sort.

19. WARRANTY

Seller shall provide a Limited Warranty to the Buyer at Closing. Buyer acknowledges receipt of a copy of the Limited Warranty at the time of signing this Contract. The Limited Warranty is the only warranty, express or implied, which Seller makes to the Buyer.

(a) IT IS HEREBY EXPRESSLY UNDERSTOOD AND AGREED BY THE PARTIES HERETO THAT, EXCEPT FOR THE LIMITED WARRANTY AND EXPECT FOR THOSE ITEMS NOTED IN THE "PUNCH LIST" PURSUANT TO THE FINAL WALK-THROUGH INSPECTION, (SEE SECTION 17), SELLER IS NOT FURNISHING ANY OTHER WARRANTIES. BUYER INITIAL: _____

(b) Buyer agrees that by Closing the purchase of the Dwelling Unit as contemplated by this Contract, Buyer accepts the terms of the Limited Warranty and agrees to be bound by them whether Buyer actually signs the Limited Warranty or not. Buyer acknowledges that he/she has read the Limited Warranty.

(c) Buyer agrees that, prior to initiating any lawsuit, arbitration or other civil action against Seller or any of the Released Parties for construction defects, omissions or errors, or for any other reason Buyer must first:

i. Notify Seller and, if applicable, the Released Parties, in writing delivered by certified mail, return receipt requested, or by personal service, of the nature of any claim, error or omission (collectively "Alleged Defect") and stating the location and description of each

Alleged Defect in sufficient detail to determine the general nature of the Alleged Defect and any damages claimed to have been caused by the Alleged Defect. Failure to so notify Seller and, if applicable, the Released Parties, within thirty (30) days of Buyer's first discovery of the Alleged Defect shall be deemed a waiver of any right to assert a claim for said Alleged Defect, or any other claim for the same Alleged Defect in another location on the property as a continuing defect, error or omission.

ii. Allow Seller thirty (30) days to assess the Alleged Defect and fifteen (15) days thereafter to commence repairs if necessary, which repairs shall be pursued diligently to conclusion. Seller shall be granted reasonable access to the Property for this purpose. In the event Seller denies liability for the Alleged Defect or Buyer disagrees with Seller's proposed repairs, or Buyer, the Seller and, if applicable, the Released Parties cannot otherwise resolve a dispute relating to the Dwelling Unit or arising from this contract, Buyer expressly agrees to participate in good faith in mediation prior to exercising its rights pursuant to Wyoming law. In the event the Parties fail to resolve their dispute by mediation, Buyer, Seller and, if applicable, the Released Parties, shall submit the dispute to binding arbitration as provided for in Section 24. The Parties expressly agree that as long as Seller acts in accordance with this Section 19(e), that Seller shall be deemed to have acted in good faith.

iii. In the event of an arbitration, the arbitrator may make only the following awards: (a) order the performance of repairs in accordance with a set of specific instructions; or (b) award an amount of money to Buyer. Attorney's fees and costs may be awarded at the discretion of the arbitrator. In no instance may punitive or exemplary damages be awarded. Any award hereunder shall be construed in strict accordance with applicable case law of the state wherein the Dwelling Unit is located.

In the event of an award resulting from arbitration, lawsuit or other civil action claiming defects, omissions or errors, the money derived therefrom must be used to make the repairs for which it was awarded. The work shall be performed by licensed and insured third party contractors. Funds will be held by an escrow agent appointed by the awarding party to be disbursed directly to the contractors, consultants or others performing work or services in furtherance of the repairs or remediation. In the event funds remain after the completion of the repairs or remediation, said excess funds shall be returned to the funding party. The parties agree that any excess funds, if not returned to the funding party, shall be deemed to be punitive or exemplary damages and that same are waived by the agreement of the parties in Section 19(e)iii and shall be returned to the funding party.

i. Buyer waives any claim or theory of recovery for tort damages against Seller and the Released Parties for defects, errors or omissions whether or not said alleged defects, errors or omissions have caused, or may be alleged to potentially cause, any physical damage to person or property.

ii. Buyer agrees to the following covenants and restriction:

a. Buyer shall regularly inspect and treat for mold.

b. Buyer will maintain rain gutter downspout extenders in the down and extended position at all times and clear of obstructions. Buyer acknowledges and agrees that failure to do so may cause excessive water to penetrate the ground adjacent the foundation and that water penetration may cause excessive swelling of soils possibly damaging the foundation.

c. Buyer shall not plant plants within two feet of the perimeter of the foundation; Buyer shall not water within two feet of the perimeter of the foundation.

Buyer hereby waives any claim against Seller and the Released Parties for damages caused by Buyer of the March 17, 2020

aforesaid covenants and requirements. Owner indemnifies and agrees to hold harmless Seller and the Released Parties against any claim, loss or expense incurred by Seller as a result of Buyer's breach of the covenants and agreements contained in this paragraph.

(f) Buyer acknowledges that no home can be constructed in a manner to completely prevent mold growth; and that City building code requirements for air tightness of dwelling units restrict the circulation of fresh air which could otherwise inhibit mold growth. Buyer covenants and agrees that it is Buyer's obligation to maintain regular ventilation and air circulation, prevent leakage at showers and sinks by properly maintaining plumbing seals, tile grout and caulking and to prevent leakage at windows and exterior surfaces by properly maintaining seals, caulking and painted surfaces. Buyer agrees to inspect for and treat for mold on a regular basis. BUYER HEREBY EXPRESSLY WAIVES ANY CLAIM FOR DAMAGES, INJURIES OR ILLNESS OR HEALTH PROBLEMS BASED UPON THE PRESENCE OF MOLD IN THE DWELLING UNIT. Buyer acknowledges that insurance for mold claims is unattainable by Seller.

20. EXTENDED WARRANTY. In addition to the Builder's Limited Warranty, Buyer shall be provided with an Extended Warranty through 1 Home Warranty for a period of three (3) years. Said Extended Warranty shall provide coverage after the Builder Limited Warranty has expired on the terms and conditions set forth in the 1 Home Warranty agreement attached hereto as Exhibit G While Seller has agreed to pay the premium for the Warranty coverage from 1 Home Warranty, Seller makes no representations or warranties as to said coverage and Buyer agrees to review said coverage and look solely to 1 Home Warranty for warranty coverage at the expiration of the Builder Limited Warranty.

21. LIEN WAIVER. Upon payment of all the monies called for herein and transfer of the title to the Buyer, Seller hereby waives all lien rights and indemnifies Buyer against any claim for payment of materials, labor, services, and equipment used in the construction of the Dwelling Unit.

22. DEFAULT. Time is of the essence as to this Contract. Therefore, if any payment, covenant or other condition of this Contract is not made, tendered or performed as provided for herein, such failure shall constitute a default, and the non-defaulting Party shall be entitled to the following remedies:

(a) If Buyer is in default, Seller may elect to cancel this Contract by giving written notice to Buyer, in which case all payments, deposits and things of value paid or given to Seller by Buyer shall be forfeited and kept by Seller as liquidated damages.

(b) Buyer hereby acknowledges and agrees that in the event of Buyer's default the injury to Seller will be difficult and expensive to measure in view of Seller's financial obligations with respect to the Project; Seller's commitments are made in reliance upon the Contract with Buyer; and other factors difficult to identify in advance. As a reasonable estimate of Seller's fair compensation for any damages resulting from such default, the parties agree that the sums paid by the Buyer hereunder as Non-Refundable Payments shall be forfeited by Buyer to Seller and belong to Seller as liquidated damages and, except in the event of fraud by Seller, shall be Seller's only remedy.

(c) If Seller is in default, except for extension to the time of completion, as provided in Section 11, Buyer may elect to cancel this Contract by giving written notice to Seller, in which case all deposits paid to Seller by Buyer shall be promptly returned to Buyer without offset or payment of interest. Buyer waives any claim for damages or specific performance.

22. REAL ESTATE COMMISSIONS. Commission paid by Seller to Buyer's broker or agent, if any, shall be Three Percent (3.0%) of the Selling Price. Any commission obligation of Buyer in excess of 3.0% shall be the responsibility of Buyer.

23. DISPUTE RESOLUTION

(d) In the event of a dispute which the Seller, Buyer and Released Parties are unable to resolve between themselves, then, subject to the provisions of Section 19, the Parties agree:

(i) First, to participate in a mediation conducted by a mutually acceptable third party. Either, or both parties, may submit a list of possible mediators to the other party, from which list, or lists, the parties shall agree to a mediator. The mediator shall then convene a mediation wherein the parties shall attempt to resolve their differences. In the event the parties reach a successful conclusion, in whole or in part, the agreement thereby reached shall be reduced to writing by the mediator and the parties shall each sign it and it shall be binding upon the parties. Either party may enter the agreement with a court of competent jurisdiction for enforcement if necessary; or

(ii) Second, in the event mediation is unsuccessful or is not commenced within thirty days of the first request by a party, or is not completed within forty-five days of commencement, then to submit to arbitration conducted by the American Arbitration Association, modified as follows: (1) discovery shall be allowed in accordance with the Wyoming Rules of civil procedure; (2) the prevailing side shall receive its reasonable attorneys' fees and expense of expert testimony. Damages shall be limited to actual damages and each party hereby irrevocably waives any right and claim to exemplary or punitive damages in any jurisdiction. The decision of the arbitrator(s) shall be final and binding as to all claims that were or could have been raised in the arbitration and may be enforced by appropriate action in a court of law and shall be subject to the appropriate provisions of the Wyoming Revised Statutes, as the same may be amended from time to time. Any dispute involving an amount greater than \$25,000.00 shall be heard by a panel of three arbitrators, the decision of a majority of who shall be final.

(e) Any documents of assignment, lease or conveyance of any Dwelling Unit or other interest in the Project shall be deemed to incorporate those provisions for arbitration of disputes set forth in this Section 24 if the same were fully set forth in any such document.
